TENAFLY HIGH SCHOOL PARCC TESTING SCHEDULE SPRING 2017

Dear Parents/Guardians:

The PARCC test administration for Tenafly High School will take place between March 28 and April 6, 2017, with make-up testing to follow. This year the Tenafly School District has been selected by the New Jersey Department of Education for PARCC field-testing in English Language Arts Literacy (ELA/L), along with other districts across the state. The field-testing will include an additional unit and be part of the overall test schedule.

Please find the Spring 2017 PARCC test schedule on the following page. During the seven days of test administration, Tenafly High School will operate under a modified delayed opening schedule in order to minimize loss of instructional time. These dates will also be posted on our school calendar located on the district website at www.tenafly.k12.nj.us. As we get closer to the testing dates, we will provide a letter with more detailed information.

Should you have any additional questions regarding standardized testing, please contact my office or your child's guidance counselor.

Sincerely,

James O. Morrison
Principal, Tenafly High School
